ORGANIZATION MANAGEMENT EXPERIENCE, ADVOCACY PROGRAMS, AND NETWORKING MANAGEMENT

August 2021-Present : Consultant at REMDEC for institutional strengthening of civil society organizations (Currently a lead facilitator for the BUILD project at REMDEC which is part of Re.Search). Remdec is a service provider organization for Resource Management and Development Consultants known as REMDEC is a professional consulting agency specializing in capacity building for civil society organizations (CSOs) and other development actors.

Jan 2014-March 2016: Executive Director for Indonesia Budget Center (IBC). IBC is a CSOs advocacy for budgeting process in national level. Here, I am a director and responsible for maintain institution system and leading for role of internal mechanism, including to make sure a success of program/project.

2006 – August 2011: Coordinator of the Coalition of People Concern on Public Services (MP3). MP3 is an advocacy network with CSO's as its member that established to asisst the advocacy of Public Services Bill during 2003-2009. YAPPIKA roles's was a national secretariat and coordinator for this network. My responsibilty was maintaining communication between members and manage all mandate of the networks i.e. building an advocacy design,project planning and reporting, fundraising to support advocacy, organize core team (lobby, substance and

campaign), maintain network in 6 areas and gather support from public services experts (academics) from 10 universities in Indonesia.

1999 – Jan'2010: YAPPIKA

YAPPIKA, a civil society alliance for democracy, was established to function as a resource organization aimed to strengthen Indonesian civil society and NGOs networks capacity to promote democracy and social transformation. Its supports grassroots empowerment initiative, advocacy and public awareness campaigns at the local and national levels, networking among NGOs and also provides a support system to increase the NGOs institutional capacity. At the national level, YAPPIKA is also involved in various advocacy activities related to democracy and good governance and human rights issues.

I have been handled some roles and responsibilities a long with my employment in YAPPIKA as follow:

July 1999 – 2005: Project Officer Advocacy and Network

As a project officer, I am responsible for implement advocacy programs with scope of work at the national and local level (provincial and district level), building communication between CSOs and experts.

Jan 2005 – Jan'2011: Advocacy and Network Manager

I am responsible for: manage advocacy program that under the responsibility of the Department of Advocacy YAPPIKA, design advocacy strategy and implementation, building network between CSOs in local and national level to support advocacy work, manage grant program for several partners, building communication to parliament members – CSOs – experts.
